

RREF Virtual Fundraising Ideas

Bake it up!

You can still bake up some delicious goodies and raise some money for RREF, even if you aren't able to share them (shame that...). Just host a Virtual Bake-Off competition. Ask participants to pay a small entry fee – and work out a prize for the best cake!

Sponsored Activity & Challenges

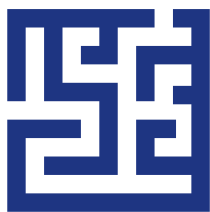

You can still get sponsored for a run, walk, jog, number of squats done and more – just use a tracker online to share your progress – you could even make it into a virtual teams battle! First one to Kilimanjaro.....

Indoor challenges like number of shopping bags carried, stairs run up or in a certain time are fun and easy as well!

Murder Mystery?

There are plenty of free online scripts, just gather your friends online and host a murder mystery party? Charge a small fee for participation and get guessing.....Professor Plum in the library anyone?

Escape Rooms

There is a wealth of free virtual escape rooms online that can be played in teams! Who will escape the fastest?

Online Games

This could be a quiz night, live streamed games or more! Limit is your imagination (and tech ability).

Virtual Skills

Teach cocktail making, how to make bread, a favourite dish or even a sommelier knowledge evening. Pass on your skills or talk to friends and family to host a fundraising evening.

We're sure there are plenty more ideas out there, but if you need any advice or help do feel free to contact us on +44(0) 118 378 4195

THANK YOU for fundraising for the Reading Real Estate Foundation!
